

Apostolos Studios

Lindos, Rhodes

Apostolos are traditional studios in an elevated position, nestling just beneath the ancient Acropolis. The communal courtyard and vine covered terrace offer the most amazing sea views. It's worth the climb up the stone steps just for the view and with all that exercise you can help yourself to another piece of sweet Baklava!

A great location for those who like to be Pallas Beach side of Lindos with less than a 5 minutes downhill walk until you reach the golden sands and clear blue sea. The entrance to Apostolos is just opposite the boutique and exclusive Melenos Hotel, and just a few minutes' walk from the center of the village.

There are 6 twin studios surrounding the main courtyard and 3 further twin studios in a nearby block. The vine covered terrace overlooking the bay, where all studios have access to is the perfect place to relax with a drink, a good book or to dine al fresco with your family and friends.

All the studios are fully air conditioned and have Lindian platform beds with 2 single mattresses, kitchenette and shower/WC. Hairdryer and Safety Deposit Boxes are included, simply Greek in style and well cared for by the friendly Greek owners who live close by. The many returning clients love the elevated position which affords them spectacular views over the bays. Whilst some of the studios have limited natural light due to being built into the rock face beneath the Acropolis, their unique position and friendly welcome from the owners, continues to make them popular year after year.
