

Villa Meandros

Lindos, Rhodes

Villa Meandros is a fantastic 3 bedroomed traditional house with a large vine covered courtyard and spectacular views towards the Acropolis, village and the sea. This character house is designed for the indoor/outdoor concept of Mediterranean living as each of the rooms open out onto mosaic cobbled courtyard. The Sala is the spacious master bedroom with a double mattress on the Lindian platform and adorned with cushions. A feature stonebuilt fireplace gives the room even more character and the walls and upper panga are also adorned with ancient artefacts to bring a bit of history into the house. There are two doors from the sala, one leading onto the courtyard and the other into the large fully fitted kitchen. There is a bathroom adjacent to the kitchen and sala which has a modern shower, WC and washbasin. The kitchen also has two doors, one onto the courtyard and the second one into the twin bedroom. This Lindian twin has a platform bed with 2 single mattresses, a wardrobe and dressing table and mirror. This twin room has direct access onto the courtyard and also to the adjacent twin bedroom making it ideal for families if they wish to have interconnecting rooms as well as being able to use the courtyard entrance for more privacy. The 3rd bedroom is a standard twin with two single beds, bedside tables, lamps and a wardrobe and dressing table There is also an ensuite bathroom with shower/WC and wash basin. This bedroom also leads out onto the private courtyard.
