From the airport, turn left and at the first junction, take the road towards Lindos (signposted Bee Museum) which leads off to the right. You will cut across the island and proceed south on the East coast past the resorts of Faliraki, Tsambika and Archangelos. About 5 minutes drive after Kalathos past the bay of Vlichia and the Amphitheatre Boutique Club on your left where you will get your first glimpse of Lindos. Continue driving past Lindos until you pass the Lindos Sun Hotel (right hand side) and the Aquagrand and Lindos Memories Hotels (left hand side). Carry on down the road for another 250m and you will see a slip road on the right. Opposite the small church. There is a sign for Beachcombers and Navarone Residents. Take this road and you will see a house with a terracotta tiled roof which is straight ahead. At this point, do not turn right into the villa site entrance, with black gates, but drive straight ahead. The entrance gate to Villa Navarone is the first gate on your right.

Keys: If you walk down the wiggly path towards BBQ, the key box is fixed on villa side of the BBQ wall. It will contain both the front door and front gate keys. Front door is over the bridge. The code will be as given to you in the email.
