Please let us know if the dialing code you need is not listed above.

Tourist Information Centre

The Tourist Information centre is also located in the Main Square. Just before you enter Lindos Village it is on your right. You can pick up a local map from here should you require one.

LINDOS BEACHES

Rhodes is blessed with some of the most beautiful beaches in the Mediterranean and none more so than those in and around Lindos.

All you need to do is decide where to go and then grab your beach towel, your favourite book (or Kindle!), suntan lotion and head off to paradise.

Lindos Main Beach

Lindos Main Beach (Megali Paralia) can be easily reached from the Main Square. A long stretch of golden sand, fringed by many tavernas all serving your favourite chilled drinks and local cuisine. Plenty of sunbeds and umbrellas and you can hire small motor boats and pedaloes when you want to leave the shore.

Pallas Beach

Situated in the same bay as the Main Beach, the smaller Pallas Beach is popular with Lindos regulars and locals. Fantastic tavernas serving fresh fish and local cuisine and a regular BBQ evening at Skala and Pallas Beach Taverna. You can book the Skala BBQ on a Sunday through us to guarantee your place – simply complete the booking form given to you on arrival. Fabulous breakfast and lunchtime snacks also available at Giorgos 2 which will show the latest sport fixtures. Check out the water sports and glass bottom boat from the jetty too.

St Paul's Bay

An aerial view shows St Paul's Bay as shaped like a heart and with many people falling in love (and marrying) here, it's easy to see why. There are two bays each with their own beach taverna serving fantastic fresh food and your favourite drinks. With rocky coves, it is a great place for snorkelling.

Vlichia Beach

Vlichia (or Vlycha) beach is situated approximately 3km north of Lindos and is a very long stretch of beach with a mix of sand and shingle. There are some popular 4 and 5 star hotels and luxury villas near the beach making this a perfect spot for a holiday retreat. Plenty of sunbeds, a few tavernas and water sports for the more energetic. The beach never seems to get too crowded and is lovely for an early evening swim too.

Navarone Bay

The Navarone Bay region is situated south of Lindos en route to Pefkos and was named after the (1961) movie 'The Guns of Navarone' which was filmed there. Also known as Psaltos region of Lindos, the main beach fringes the two luxury hotels, the Lindos Aquagrand Resort and the Lindos Memories. The sea in this area is one of the clearest and bluest around and a popular swim stop for day cruises.

Pefkos

Pefkos comes from the word Pefki meaning 'pine tree' and this popular resort and beaches are backed by hundreds of fragrant trees. Pefkos has a beautiful long main beach with several great tavernas dotted along and this is a perfect place for a sundowner. There are several other smaller beaches in Pefkos which are also worth visiting, including Aghios Thomas which is at the southern end of the resort and then further along and just outside of Pefkos is Plakia Beach.
